

 Virgilio Cena & Figli S.p.A.	Quality, Safety and Environmental Policy	VCF_Doc_01 Rev.2 14/10/2024
---	---	-----------------------------------

VIRGILIO CENA & FIGLI is a company specializing in the production of carbon steels, high yield steels and stainless steels buttweld fittings.

Environmental protection and preservation along with the safety and health of employees at work is of great importance. In a highly competitive market, exceptional companies distinguish themselves by their ability to bring forward ideas of a sustainable economy and offer high quality products and services in harmony with existing laws. For these reasons, VIRGILIO CENA & FIGLI has decided to organize its management system in accordance with the ISO 9001:2015, ISO 14001:2015 and ISO 45001:2023 standards.

VIRGLIO CENA & FIGLI S.p.A. is committed to:

- monitoring Customer satisfaction levels and engaging company personnel to improve product Quality, prevent complaints and respect delivery agreements;
- improving the skills and involvement of Human Resources by encouraging participation and sharing of Quality objectives through training and an effective communication;
- meeting environmental compliance and health and safety at work compliance
- preserving the environment and preventing pollution through progressive reduction of noise emissions, water waste and reducing the impact of production activities on the environment;
- preserve and utilize resources to improve energy efficiency in the production processes;
- prioritize the prevention of occupational injuries and illnesses. Provide a safe and healthy working environment, limiting hazards and reducing risks for personnel, by focusing on the air quality of workplaces and safe use of provided equipment;
- encouraging consultation through workers' safety and health representatives, empowering workers to protect their own health and safety, through responsible behaviour and following company procedures;
- improving the efficiency of our Quality, Safety and Environmental Management System through context analysis and a careful approach to risks evaluations.

 Virgilio Cena & Figli S.p.A.	Quality, Safety and Environmental Policy	VCF_Doc_01 Rev.2 14/10/2024
---	---	-----------------------------------

In pursuit of these objectives, VIRGILIO CENA & FIGLI S.p.A. sets targets through planning and establishes initiatives to uphold these commitments and drive continuous enhancement in environmental, health, and safety performance, and ensures the provision of resources for their attainment, monitoring, and regular review.

VIRGILIO CENA & FIGLI S.p.A. periodically reviews this policy to confirm its suitability. It is available within the organization to all interested parties.

The Chairman of the Board of Directors
Dott. Paolo Cena
